

To Whom It May Concern:

We are writing to you on behalf of the Airport National Junior Golf Fundraiser Tournament. This tournament was created to benefit and promote junior golf in the local area. Junior golf provides great opportunities for today's youth to learn valuable life skills and lessons such as hard work, determination, honesty, and integrity.

This fundraising tournament will benefit 3 junior golf organizations. The first is the Iowa PGA Foundation which funds many of the junior golf programs put on by the Iowa PGA. These programs include the Iowa PGA Junior Tour and Iowa PGA Peewee Tour. The second organization this fundraiser will benefit is the Cedar Rapids Junior Optimist which does a great job of running junior golf tournaments in the Cedar Rapids area. The last organization that will be benefiting from this tournament is the Airport National Junior Academy. The junior academy has grown immensely in its 2nd year and we aim to provide the best learning opportunities for juniors golfers. The money raised for the Airport National Junior Academy will go towards gift bags for students, prizes, awards banquet, equipment for class and it is my hope that we will be able to offer a scholarship for a graduating senior of the junior academy to help with college expenses.

We have included our flyer for the event and we hope you will consider supporting us as we prepare for our 1st annual event.

Please consider supporting the Junior Golf Fundraiser Tournament by donating a monetary gift or product to be used in a raffle or game prizes. See attached donation form for unique sponsorship levels.
